

My trip

Everyday at CCOF is a beautiful experience, you meet new people, you play games, and have a great experience. My cabin leader Kendra has been so awesome and cool along with Katly, Cora, ~~both gail's~~ Darian, Cory, Shane, and all the people who I have talked to. CCOF has been so, so fun and I can't wait to come back next year and every other year, till I graduate, then I can't wait to volunteer for CCOF and make more memories. I hope this camp remains open for years and years to come.
